Subscription Bolt-On Services

COVID-19 Service
Get impact assessment reports for the UK retail and leisure industry to help identify threats
"COVID-19 Quick Responses", consumer panel research
COVID-19 newsletters, economic chartbooks and more... [info >](#)

Shopper Sentiment Survey
Keep a finger on the pulse of what's driving UK consumer shopping behaviour. Identify the range of macroeconomic factors that influences household spending. Really understand your consumer base and the cost pressures they face
Identify opportunities within your sector.

Quick Response Service
Get the latest need-to-know retail news straight to your inbox. Choose: 1) Economic updates — GDP, consumer spending, retail sales, wages, house prices, credit and more; or 2) Retailer results — key financial results and critical retailer news reported for around 50 listed retailers.

Face-to-face presentation
Hear our thought-provoking views and opinions at your conferences, seminars, company away-days or board meetings
Get the personal touch from senior staff members — Richard Lim (CEO) & Stephen Robertson (Chairman) being in popular demand.

Retail Cost Base Index
Essential for improving your financial planning strategy
Gain a deeper understanding of your operating costs in order to manage risk. Learn how macroeconomic factors might affect your supply chain. Producer Price Index (inputs and outputs) data. Understand the impact of labour costs, business rates etc.

Tailored Reporting
Get the precise data you're looking for and accurately answer key retail questions. It cuts through the noise and enables us to deliver bespoke reporting tools which are relied on by executive teams to identify the need-to-know economic indicators and to interpret what they mean for your business.

Additional users
Need more user accounts? No problem, this bolt-on allows you to add additional users so you can share insights directly within your team.

Our services

Subscription Service

Our subscription service is a completely tailored, holistic, retail intelligence package.

You choose the monthly insight reports and services you need - we create a maximum value package for you. We offer: monthly economic reports, monthly retail sector reports, downloadable timeseries data, help desk assistance, quick response retail updates, shopper sentiment surveys, weather data, retail cost base index, tailored reporting, face-to-face presentations and more.

Thought Leadership Research

Be a prominent thought leader and command authority within your field by publishing thought leadership research.

Publishing cutting edge research on ahead-of-the-curve issues and trends affecting the industry is a proven method to command authority and raise profile. We plan and implement research, analyse results, identify key findings and generate reports with complete flexibility of input. This is a complete end-to-end service from research planning to campaign launch.

CEO Presentations

Get the personal touch and interact face-to-face with the CEO Retail Economics (City AM Analyst of the Year 2019 nominee).

Secure an opportunity to hear our thought-provoking views and opinions at your conferences, seminars, company away-days or board meetings; both Richard Lim (CEO) and Stephen Robertson (Chairman) being in popular demand.

Media, PR & Comms

Maximise impact and media traction for your projects and campaigns using our extensive industry expertise and well-established networks.

Secure the attention your work deserves and achieve its intended impact. We assist and advise on: campaign creation and planning, media engagement, messaging, propositioning, events, trends, insight analysis, thought leadership and influencer targeting.

COVID-19 Service

Better assess the impact of the coronavirus crisis; essential to inform critical decisions, mitigate risk and to plan ahead in such challenging times.

Keep abreast of the latest developments affecting the industry. Gauge consumer sentiment by sector and channel with proprietary data. Identify opportunities from the myriad of challenges facing the industry.

Brexit advisory service

Our Brexit advisory service arms you with critical insights needed to limit your risk and ensure Brexit readiness and beyond.

Brexit is affecting many industries above and beyond retail. Our specialist Brexit advisors can help you navigate the policy implications, bringing clarity to your planning strategies and ensure you are best placed going forward.

Data & Benchmarking

Using industry standard methodology and best practices, we provide bespoke proprietary data and benchmarking services allowing you to accurately measure and monitor performance.

Avoid inaccurate estimates and 'second guessing' to assess your performance. Get the precise data and use robust economic models to accurately gauge your performance against tailored metrics.

Economic modelling

Better understand how your key industry variables affect your organisation: demography, socio-economic profiles, regional, sector, policy, industry and skills etc.

Our economic consultancy team use industry standard practices for: forecasting, scenario analysis, data analytics, socio-demographic projections and economic impact modelling. We also undertake highly bespoke modelling for forecasting.

Advisory & Business planning

Accelerate and grow your business with intelligent planning, forecasting and risk management using our business advisory service.

We work with multiple retailers, institutional investors and government departments using robust data and expert advice on: business plans, propositioning, funding, marketing and strategy. We can also conduct market research for more informed planning.
